

***IQ7 TECHNOLOGY AND KCC SIGN DEFINITIVE AGREEMENT
TO SUPPORT CHAPTER 7 BANKRUPTCY TRUSTEE CLIENTS***

Los Angeles, May 4, 2020 – KCC, a global leader in the legal services industry, announced today that it has entered a definitive agreement with IQ7 Technology to provide Chapter 7 administration services to IQ7 trustee clients. This agreement includes a detailed plan to seamlessly integrate IQ7 clients with the KCC technology platform.

Through this arrangement, IQ7's staff joins the professional team at KCC to provide continuity to migrating clients and sustain KCC's award-winning service levels and innovative technologies.

"We're delighted to welcome IQ7 clients to KCC and will provide a seamless migration. Our client-focused culture and native cloud technologies support all of our clients with best-in-class solutions for the sophisticated needs of bankruptcy professionals coast-to-coast," said Gerry Mullins, President of KCC.

Christopher E. Olofson, President of IQ7 Technology, added, "In collaboration with the KCC team, we have prepared a streamlined integration for all clients. Our frontline staff looks forward to joining the KCC family to maximize continuity and efficiency for our clients."

About KCC

KCC provides administrative-support services that help legal professionals realize time and cost efficiencies. With an integrated suite of trustee services, corporate restructuring, class action, mass tort, and legal document management solutions, KCC alleviates the administrative challenges of today's legal processes and procedures. KCC has gained client and industry recognition for its industry expertise, personal customer service and proprietary technologies. KCC's parent company, Computershare, has extensive experience in holding and distributing funds on behalf of our clients managing \$3 to \$5 billion in daily deposits. Our team distributes more than \$500 billion in cash and stock while acting as an escrow, depository or subscription agent. For more information, visit www.kccllc.com.

About IQ7 Technology

Since its founding in 2015, IQ7 Technology has built a national client base of bankruptcy trustee and fiduciary clients who implement the company's proprietary technology platform for all facets of case administration, document management, and regulatory compliance.
